OCSA Men's Soccer - Teams Record Book for the Years of 1949-80

Data compiled by Fred Jermyn   Last Updated on 6/29/24

Records as reported in OCSA Newsletters published from 1956-80 and as listed on school websites of over 40 schools that fielded teams during the 1949-80 period. Member schools included both Varsity and Club status teams. Four-year schools occasionally had games versus J.V. teams and Jr. College teams which were recognized as official competitions.   Figures were cross-checked between sources to ensure accuracy. Any errors or omissions would be due to unsubstantiated data, data not located or data no longer available.

Records may post on the OCSA website of www.ohiocollegiatesoccer.org. Data additions or corrections should be submitted to the OCSA c/o Bud Lewis via his e-mail address: bud_lewis@wilmington.edu.
